Dedicated Pat awarded British Empire Medal for her 45 years of lace making

By Anders Larsson
anders@tindlenews.co.uk

A HONITON woman has been awarded the British Empire Medal for her services to the heritage of lace making.

Seventy-three-year-old Pat Perryman was named on the Queen's Birthday Honours List after more than 45 years of dedication to Honiton lace making.

After being persuaded by a close friend to take up a lace making class in the 1960s, Mrs Perryman was soon a true expert, and in just two years, managed to work her way up to teaching the same class she had started in as a beginner.

Mrs Perryman has taught lace making nationally, internationally and on a local scale; travelling as far as America, Switzerland, France and Germany to share her expertise.

Chair of the Allhallows Museum, which is home to one of the best and biggest collections of Honiton lace known in the UK, Mrs Perryman has been involved with lace demonstrations and sharing the history of Honiton lace at the venue since 1980 and still devotes much of her time to the museum now.

HONITON LACE HERITAGE | Pat Perryman has been awarded the British Empire Medal

Mrs Perryman also still teaches afternoon classes alongside her fellow lace makers, hoping to keep the tradition alive for many years to come.

She explained: "It was a surprise to hear I had been put forward for the British Empire Medal, although I knew up to a point about it before hand when I was first nominated, but I guess I had just forgotten.

"It was a lovely feeling to receive the letter around five weeks ago and to see that I had been selected for the award, which means now I get to go to the County Hall to pick up the award and attend the Queen's Garden Party next year, which is all very exciting."

Mrs Perryman described some of her highlights during her time working with lace, including her many television appearances such as lace demonstrations with Ruth Goodman on BBC Two's Edwardian Farm and Antiques Roadshow.

Mrs Perryman also fondly remembers the hour spent with Princess Anne during her visit to Allhallows museum in 2005 and when she was named an honoured citizen of Honiton and became the only woman to pick up the award in the town.

She continued: "I would like to thank those that nominated me and thank all those in the local community and beyond for their tremendous support for lacemaking in particular.

"It is nice to think that I have made my little contribution to Honiton lace and I have done my bit to keep it going during my lifetime.

"I just hope that I can continue to inspire others, so that they can help to keep the tradition alive for the future."

Mental health project up for award

A HONITON-based project, supporting people with mental health and anxiety issues, has been shortlisted for an award.

Art & Mind at Thelma Hulbert Gallery (THG) helps people to gain confidence and escape everyday worries by immersing themselves in art activities.

The project is run in partnership with Mind (East Devon) and been shortlisted in the prestigious Arts & Health South West Awards 2013.

The awards aim to celebrate and showcase the very best of inspirational arts and health work and the winners will be announced in Bristol City Hall on Tuesday, June 25th.

Eight organisations and three individuals from South West England have been shortlisted for prize money totalling £9,000.

The project aims to benefit people's wellbeing, by enabling a time and place for participants to explore their own creativity, inspired by the gallery's changing exhibition programme and workshops with visiting artists.

One afternoon a month participants meet as a group and explore the current exhibition at THG.

The curator, an exhibiting artist or member of staff from Mind talks about the exhibition after which participants create their own piece.

Resulting work has included collage, textiles, printmaking, painting, recycled sculpture, installations, flick books and animation.

Councillor John O'Leary, East Devon District Council's member champion for culture, said: "While we're delighted to see THG nominated for this prestigious award, the real reward is the community benefit provided by this scheme.

"The staff of THG and Mind are making a real and positive difference to local lives with this project, something which is to be truly commended.

"I wish them the very best of luck in the Arts and Health South West Awards."

The group is open to the public through referral to Mind by a member of the Community Mental Health Team, The Depression and Anxiety Service, or a GP.

The project has received funding from Self Heal Association, an Exeter-based charity supporting arts and health organisations.

The shortlisting is the second high-profile accolade for THG this year.

Less than one month ago the gallery was longlisted in The Telegraph's national Kids In Museums Awards, marking it as one of the top 20 most family friendly galleries in the country.

Quotes of the week...

"YOU cannot carry on like this. You are destroying Seaton and now Colyford."

Howard West, the Mayor of Colyton, speaking at an East Devon District Council meeting when the planning application for the development of the green wedge between Seaton and Colyford was rejected by councillors after a two-hour debate attended by dozens of protesters.

"THE council (EDDC) is vulnerable on housing supply throughout the district and has lost several appeals on this basis.

'It is considered that the proposed development would help with the council's five-year land supply, deliver sustainable development and provide a number of important benefits.

'While the loss of high grade agricultural land and part of the green wedge weigh against the application, on balance it is considered that the social and economic benefits of this development justify a recommendation of approval.''

The view of East Devon District Council's planning officers in a 60-page report in recommending approval of the development to build 170 houses, offices, industrial units and football pitches, before councillors threw out the proposal.

"WE did not discriminate. We had no other nominations so we put forward the best and that was noit unfair.''

Andrew Parr, chairman of Colyton Parish Council, after being asked why no women had been put forward to serve of the Chamber of Feoffees.

"THE systen works – why upset it.'

Councillor John Jeffery commenting on a move at Axminster Town Council to change the selection process of choosing the mayor.

NEWS AT A GLANCE IN EAST DEVON THIS WEEK

HAWKCHURCH

District say no to gypsy plan

A PLAN to expand Hawkwell Park gypsy caravan site in Hawkchurch has been thrown out by district councillors.

A packed chamber at East Devon District Council's Knowle headquarters heard a string of villagers oppose the plan on Tuesday of last week.

The proposal was to allow six additional residential pitches, each being able to accommodate two caravans.The main basis of objection was alleged insufficient drainage at the site, adjoining land being flooded as a result.

An EDDC report acknowledged there had been a problem in the past, but EDDC planning officers are of the opinion that the problem has been fixed, so recommended approval.

The report said: "Subject to the maintenance of these drainage works, there would appear to be no basis on which to object to the proposal.

But objectors pointed to another report, the independent Ruddlesden report commissioned by EDDC, which recommended that no expansion should take place until the drainage has proved to be effective over a period of time.

Councillors voted 12-0 (two abstentions) to refuse the application

AXMINSTER

No change in mayor selection method

AN ATTEMPT to reform the mayoral selection process in Axminster has failed.

The move was instigated by long serving town councillor and former mayor Mervyn Symes and backed by his fellow councillor Paul Hayward , who described the current process as "odd".

Mr Symes told the town council that he had been asked twice recently how the process works.

The question was posed by members of the public, and councillor Symes had replied: "By pecking order" [time served on the council].

Individual councillors can nominate a fellow councillor for the posts of mayor or deputy mayor - but a councillor cannot nominate himself/herself.

Once the nominations are in, there is a vote among councillors if there is more than one candidate for the respective posts.

It is felt by some councillors that this system makes it difficult for newer or younger members to have a chance of claiming any of the posts.But it was subsequently decided to keep the current system.

Smelling the coffee in Sidmouth

A DAYTRIP to Sidmouth can be great fun, but I strongly recommend that you bring your own coffee.

My most recent sortie was to East Devon District Council headquarters and the Development Management Committee on Tuesday of last week.

Unfortunately I didn't have the best of starts.

Arriving half an hour before the meeting was set to start, a councillor clocked me and asked which paper I was from. I told him and he replied: "I prefer Laura" (my colleague Laura Goldsbury-Noy).

He didn't say if his preference was based on looks, journalistic ability, both or anything else, though, and I didn't ask.

There is a large room next to the council chamber, which is open to everyone during election counts - offering a place to mingle and enjoy a cup of coffee.

Having attended the recent county council election count there, I was on autopilot and wandered into the room.

Halfway through pouring myself a cup of coffee, a stern voice enquired: "Are you a member?"

It suddenly dawned on me that the room is an exclusive council members-only club during regular meetings, and not a place for the hoi polloi.

I suddenly recalled a previous occasion when a friendly Axminster councillor smuggled a cup of coffee from the room and served me at the reporters' desk.

It was akin to an adult buying a drink for an underage person in a pub, and I was waiting for a burly bouncer to emerge and chuck us both out.

Having profusely apologised for my most audacious intrusion I made my excuses, cup in hand.

Talk about waking up to smell the coffee and realising you are not wanted.

I'm more than happy to pay for a hot drink, if only it had been possible to do so.

Maybe EDDC's hospitality department could make some hot water and coffee granules available to members of the public and Her Majesty's Press? Or, why not install a basic vending machine in the council chamber foyer?

I'm sure it would prove popular and turn a small profit.

Actually, judging by the number of people attending the meeting, EDDC could have made a hefty profit had it decided to run a burger van in the car park.

I really think somebody missed a trick there.

As I've said before, planning meetings are reminiscent of criminal trials. On this occasion EDDC's planning team had recommended approval for many controversial applications and acted as the defence, with the numerous and vociferous objectors acting as the prosecution.

Members of the Development Management Committee, on the other hand, played the role of the jury.

It proved to be a long but eventful day, which sometimes resembled a circus.

One debate was briefly adjourned when a member of the public refused to stop talking after having used up her allocated three minutes.

Committee chairman Helen Parr made numerous requests for the woman to stop, but the latter replied: "I don't follow rules. Arrest me."

At this point committee members left the chamber and the woman eventually stepped down so the meeting could resume.

On another occasion, a male councillor was heckled and called a traitor by people from the ward he represents.

A coach-load of people from Seaton and Colyford added extra spice when they arrived en masse brandishing colourful placards - to the obvious delight of photographers and television crews.

It may not be everyone's cup of tea (or coffee) but local government can be great fun - and there is no entry fee.

I can't wait for the next one.

◆ Many thanks to EDDC communications and public affairs manager Tim Borrett for taking on the role of coffee smuggler during the afternoon session.

SEATON/COLYTON

Green wedge plans are rejected

CAMPAIGNERS in favour of protecting the green wedge between Colyford and Seaton won a resounding victory when district councillors threw out plans to build 170 houses plus offices, industrial units and other facilities on land east of Harepath Road.

A coach-load of objectors to the plans descended on East Devon District Council (EDDC) headquarters in Sidmouth for the outline planning application hearing last Tuesday.

The hearing lasted about two hours and members of EDDC's Development Management Committee voted 11-0 with two abstentions against the proposal.

Planning officers had recommended approval of the green wedge development, which also included two football pitches, a pavilion, play park, multi-use games area and new spine road, despite widespread objection from the two communities.

But members of the Development Management Committee listed a catalogue of concerns, including the loss of agricultural land, impact on wildlife and financial harm to the tourism industry.

The report prepared for committee members ran to more than 60 A4 pages.

In recommending approval planning officers said: "The council is vulnerable on housing supply throughout the district and has lost several appeals on this basis."

The applicant, Seaton Park Devon Ltd, has the opportunity to appeal the decision.

Their planning agent told *Pulman's View* on Thursday afternoon that a decision on whether to appeal or not has not been taken yet.

Clubhouse work party

HONITON Rugby Club players and supporters kicked off their clubhouse revamp with a work party on Saturday, June 15th.

As reported last week, a £4,000 grant from NatWest has made it possible to start a programme of improvements at the Allhallows playing fields ground.

Members spent the weekend getting their hands dirty, and club secretary Jerry Rice said: "It was humbling that everyone chipped in without reward.

"A big pat on the back for all those who helped."

He also thanked Blamphayne Sawmills and Aggregate Industries (Blackhill Quarry) for supplying fencing and material.

Moonwalking to fight breast cancer

A FEMALE trio raised more than £1,000 for the fight against breast cancer by completing the MoonWalk London 2013.

Axminster Hospital matron Janet McKay, The King's School Sixth Form secretary Julie Miller and daughter Amy walked the overnight marathon on May 11th.

Organised by charity Walk the Walk, the popular event sees about 15,000 women walk the capital dressed in decorated bras.

On this occasion it proved to be a cold but dry night, and Janet said: "It was an amazing event to take part in – so full of emotion and friendship. You feel honoured to be part of it.

"We were told that, in October, three women signed up to do the walk but they all died before.

"This was very poignant and also a good boost to remember why you were doing it, especially when energy levels were lagging at around 22 miles.

"Having lost friends to breast cancer and with two of my old training days' flatmates both being treated at present for it, I volunteered to do this walk.

"Meeting people before the start, it was amazing to see why they were doing the walk and the passion everyone had to raise money to fight breast cancer.

"It was interesting seeing parts of London I didn't know and areas that brought back memories.

"Tower Bridge at 20 miles was where we saw the sun rise, which was incredible to see."

Walking partner Julie echoed those sentiments, saying: "It was just amazing and for a very good cause."

Having done the walk seven years ago, this was her second go. When asked if there will be a third time, she replied: "No, but I could probably do the half one."

Janet and Julie prepared for the event by walking 320 miles as part of a 15-week training plan. The plan comprised two walks in midweek and a longer one at the weekend, of increasing lengths to build up stamina and speed.

Janet, who has worked in local community hospitals for the past 21 years including Honiton, Ottery St Mary, Exmouth, Budleigh Salterton and Sidmouth, explained: "Being dog walkers we were accompanied during training by our furry friends, who thought they were in heaven.

"We varied the walks, discovering some wonderful countryside we had never walked in before.

"We tried to make them fun, with coffee or a pub involved along the way of the longer walks, so we were ready for the big day."

Janet has raised about £550 so far and thanked all the people who had sponsored her. Julie has reached a similar figure and Amy has raised about £200, and they were equally grateful for the support given by sponsors.

To sponsor Janet, visit www.walkthewalkfundraising.org/janet_mckay. To sponsor Julie, visit www.walkthewalkfundraising.org/the_kings_girls

● Walk the Walk is a grant-making charity raising money for vital breast cancer causes and also encourages women and men to become fitter and healthier and take control of their own wellbeing.

Its flagship events are the MoonWalk and SunWalk, but the charity also takes teams of women and men to challenges all over the UK and across the world to raise money and awareness. For more information, visit www.walkthewalk.org

British Empire Medal for Doris

FOR SERVICES TO THE COMMUNITY | Doris Russell was awarded the British Empire Medal for her tireless work as a parishioner and fundraiser in Colaton Raleigh. She is pictured receiving her medal from Devon's Lord Lieutenant, Eric Dancer CBE JP

DEVON'S finest were honoured by the Queen last week when they were presented with a British Empire Medal.

Among those awarded was Doris Russell for services to the community in Colaton Raleigh.

Mrs Russell is an active parishioner who has devoted herself to the well-being of the community.

In the past she has raised thousands of pounds for local charities, including the church preservation fund, used to repair the tower, bells and stained glass windows.

Mrs Russell also directs the Colaton Raleigh Players producing pantomimes and numerous charity concerts to support worthy causes within the local community.

Chosen for their tireless community work and dedication, Mrs Russell was one of eight people from across the county to be named in the New Year's Honours List 2013.

The community champions were presented with their awards by Devon's Lord Lieutenant, Eric Dancer CBE JP, the Queen's representative in the county, at an Investiture at County Hall last Friday.

He said: "These people are true community champions, and have been carrying out so much exceptional work to help others by fundraising, volunteering, helping the more vulnerable and bringing people together.

"It is a real honour to present them with their British Empire Medals. They fully deserve the recognition the award brings.

"They have changed their communities for the better, and I hope that the dedication and hard work they have provided to their communities will be an inspiration to all."

The British Empire Medal is awarded for meritorious service worthy of recognition by the Crown. It marks an achievement or contribution of a very 'hands-on' service to the community in a local geographical area.

This might take the form of sustained commitment in support of very local charitable and/or voluntary activity, or innovative work that has delivered real impact but that is relatively short (three to four years) in duration.

Two injured in Old Chard Road collision

ONE man was treated at the scene and another man was taken to hospital after a two-car accident on Old Chard Road, near Honiton.

The accident happened at about 11:15am on Wednesday, June 12th and involved a Renault Clio, registered to a person in Coventry, and a grey Peugeot 307, registered to a person in Axminster.

Lisa said: "It was fantastic to see girls from all over meet to catch up and make new friends and the weather was just super".

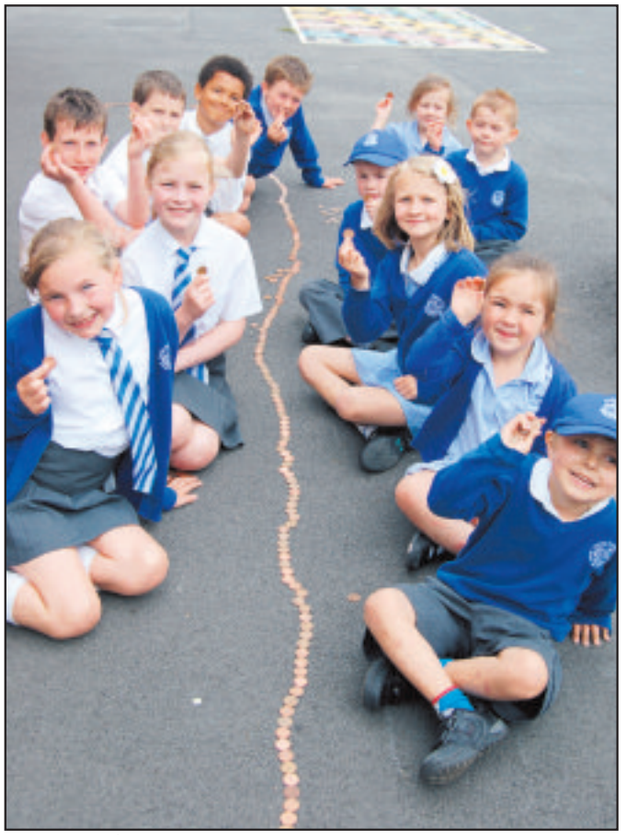
Honiton Primary School coins it in



COINING IT IN | These pupils got off to a good start

TWO pence coins proved to be the most popular type of legal tender at Honiton Primary School on Friday, June 7th.

Each class was tasked with collecting as many coins as possible and laying the longest possible line. Most managed lines from 20 to 40 metres but Year One class Elves managed a whooping 87 meters and was the clear winner.

Rachel Ward of Honiton Primary School said: "We did this task for a bit of fun and to raise money for more iPads for the classrooms. We think we have raised in the the region of £300 to £350 if our calculations are right."

Tories' clay shoot raises more than £700 for air ambulance

THE recent charity clay shoot organised by the Colyton and Colyford branch of the Conservatives raised over £700 for the Devon Air Ambulance Trust.

The event took place at Widworthy Barton in Wilmington, the home of Lady Alison and Mr Thomas Kremer.

District councillor Helen Parr, who attended the event with husband Andrew, chairman of Colyton Parish Council, handed over a 'cheque' written on a gun slip for £731.62.

Simon Card of Devon Air Ambulance Trust and the Conservatives thanked Councillor Parr for the money.

He said: "This is a splendid sum, particularly given the atrocious weather on the day.

"As many people know the air ambulance receives no funding from the government or the National Lottery, so the trust relies entirely on contributions such as this and we are most grateful to all those involved in organising this clay shoot."

Charity trek fundraiser

A SEATON man has completed a challenging 116-mile trek across the entire Jurassic Coast to raise money for charity.

Thirty-one-year-old Graham Knight completed the seven day gruelling walk from Studlands, near Swanage, to Exmouth. He was raising money for Seaton based charity Seed International Fund Trust (SIFT) which provides primary healthcare, education sponsorship, homes and general support to those in poverty in Nicaragua.

As office manager for the charity and a keen walker, Graham was keen to do his bit for charity, but decided to take up a challenge closer to home, having previously conquered walks as far away as Hadrian's Wall.

Graham has raised £1,250 with the hope to reach his goal of £1,500 from remaining sponsorship and donations.

In particular, the money raised will support the medical work of SIFT, providing free medicines so that everybody can get the treatments that are needed, free of charge.

Graham said: "The challenge was really good, with fantastic weather and the most amazing scenery.

"It has been good doing a walk closer to home, but I didn't realise that there were so many amazing views, particularly in places such as Swanage, Lulworth Cove and Durdle Door.

"The walk was well worth it. It was for a worthy cause as all the funds raised will help to provide healthcare to those where it would usually be out of reach.

"I'm raising money to support SIFT's fantastic health clinics in Nicaragua.

"Every week Dr Sandra and her team of nurses bring everyday healthcare to rural communities on the volcanic island of Ometepe, in Lake Nicaragua.

"It's the kind of health service that we take for granted here in the UK, and that really makes a difference to the lives of the poor. Thank you to all those from the local area who have supported me."

If you would like to support Graham, you can donate at www.justgiving.com/jurassictrek2013.

Keep on your toes with healthy feet

BEST FOOT FORWARD | Back row: Sarah Strong (community urgent response occupational therapist), Louise Cocks (ward occupational therapist at Seaton Hospital) and Annette Sinclair (community falls support worker); front row: Ruth Lane (community rehabilitation occupational therapist), Marianne Black (community rehabilitation specialist nurse) and Del Cathery (cluster therapy manager)

HAVING healthy feet could prevent suffering nasty falls.

That is the message from the Axe Valley Community Rehabilitation NHS team, which will prove the point through roadshows in Seaton and Axminster.

Team members will hold roadshows in the towns' respective Tesco stores to explain what can be done to prevent falls and improve later life.

The events are to be held as part of Age UK's Falls Awareness Week, which takes place from Monday, June 17th to Friday, June 21st.

This year's theme is Best Foot Forward and will highlight the importance of keeping feet healthy to maintain mobility and independence.

Members of the team will be at the Tesco store in Axminster from 10am to 1pm on June 17th, 18th and 19th.

The Seaton store will host the team from 10am to 1pm on June 17th and 19th.

Marianne Black, a specialist nurse in community rehabilitation, said: "Few people are aware of the effect that problematic, painful feet and ill-fitting, unsupportive footwear have in relation to the likelihood of falling.

"As well as keeping feet in good shape, there is a whole range of simple things that can reduce the risk of a fall.

"We aim to raise awareness of falls and let older people, relatives and carers know what services are on offer to help them."

Foot conditions can result in foot pain and cause problems with balance, walking and sensation in the feet – all of which can lead to falls."

New design chosen for Beer play park

by Laura Goldsbury Noy
laura@pemedia.co.uk

A MUCH-anticipated revamp of an uninspiring play park in Beer has taken a step closer to completion as local children have chosen their favourite design.

Beer Parish Council and East Devon District Council have been working closely together and with local people to make £17,500 worth of eagerly anticipated improvements to the Ash Hill play area - £7,500 has been contributed by developers through Section 106 funding for play.

This type of contribution was a condition of planning approval for a number of developments in the area. Beer Parish Council then successfully applied for £10,000 of 'Awards for All' funding from the National Lottery to add to the Section 106 funds.

Children had a choice of three designs and voted for their favourite, with the winning option including a basket swing, climbing frame, a spinning item, stepping logs and some seating.

The final voting took place during a special assembly at Beer Primary School and at a Beer Venture Scouts meeting on May 1st.

Of the 114 children and 16 scouts who voted, 75 per cent chose the winning design by Proludic. The result has been ratified by Beer Parish Council and will now be rubber-stamped by East Devon District Council so that work can go ahead ordering and installing the playground with the help of EDDC's StreetScene Engineers.

Beer Parish Councillor Martin Cox, has led on the project and said: "We've been working on the improving of Ash Hill play area for a couple of years and I'm delighted for the children that we are now going to have a more exciting play area.

Co-operation

"We've achieved this thanks to excellent co-operation between the Parish Council, the school, Scouts and EDDC.

"It was great to get the lottery grant, which ensured that the new equipment would meet most of the children's aspirations. Leading the project I've much appreciated the support of many, including Wendy Abbott."

Councillor Geoff Pook, EDDC Ward Member for Beer, added: "The Ash Hill play area has always been popular but suffered from very limited facilities.

"I am very pleased to see that new equipment is to be provided and the whole area upgraded.

"Especially gratifying is the way EDDC and the parish have gone about selecting the equipment with a truly participatory approach engaging the children and residents in the decision".

The three designs which children chose from were provided by companies in line with the councils' design brief for the area.

The councils came up with this based on Beer Parish Council's consultation work in Beer last year, when they visited Beer Primary School and the Scouts to find out what type of activities children wanted to be able to do in the play area.

"With a final design now finding favour, it's hoped that the work will get underway in the next few months.

Getting Beer ready to bloom

GREENFINGERED members of Beer Horticultural Society were busy beautifying the village this week, when they had their annual summer planting morning.

The group of dedicated gardening villagers filled a total of more than 65 large containers in Beer full of blooms ready for the summer season.

Whilst generally making the village look pretty, the group hope to be successful in this year's Britain in Bloom competition when South West in Bloom judges visit in July.

Chairman of the horticultural society, Ursula Makepeace, thanked all their patrons and sponsors for donating and supporting the group, so they could purchase the plants to keep Beer blooming.

The Year 6 pupils were challenged to develop their own invention which could save the planet and created detailed design specifications, prototype models and digital presentations for the panel of local businessmen and community leaders. Footballers swap boots with bikes for 100-mile challenge

■ ON YOUR BIKE: Jimmy Richards, Matthew and Jo Orsman, Jason Potter and Jade Wood prepare for the bike ride

THREE Colyton footballers will be swapping their boots for bikes later this month, to take on the FORCE Century Cycle Challenge.

Colyton Football Club members Jimmy Richards, Matthew Orsman and Jason Potter will be cycling the 100-mile route on June 30th in aid of cancer charity FORCE, which has played a vital role in local cancer services for 26 years. They will be joined by Jade Wood and Jo Orsman who are taking on the smaller 55-mile challenge.

The 100-mile ride starts at Topsham Rugby Club, heads up to Dulverton and over the top of Exmoor, down to South Molton and then meets up with the 55 mile route, which goes across country to Morchard Road.

Both rides then come back to Topsham via Crediton and the back lanes to Exeter.

Jimmy said: "Matthew and Jo suggested entering the ride as it coincides with their first wedding anniversary. The girls were keen on doing the 55-mile route but, boys-being-boys, we wanted to outdo them and so we opted for the added challenge of the extra distance. It seemed like a good idea at the time!

"My grandmother has received support and treatment provided by FORCE over the last year, so we are hoping to raise as much possible to ensure that others can benefit from their work in the future."

The work of FORCE finances improvements in patient care through research, the purchase of advanced equipment and their Cancer Support and Information Centre located in the grounds of the Royal Devon and Exeter Hospital.

The cyclists have already raised more than £1,200 for the charity but would be very grateful of any further donations towards the cause.

Those interested in sponsoring should contact Jimmy by emailing jimmy-richards@hotmail.com

Kilmington man designs Second World War plaque

A KILMINGTON man was chosen to design a plaque commemorating a World War II incident in Dover, which could have had explosive and catastrophic consequences.

Designer Bob Farley has worked for major city and public organisations in a vast range of styles, and he was chosen by Kent Fire and Rescue Service to provide the plaque commemorating the 1940 drama.

■ EXPERIENCED designer Bob Farley and his plaque recently unveiled in Dover

On July 27th in 1940 the Luftwaffe attacked Dover harbour with a large force of Stuka dive-bombers protected by Messerschmitt fighters.

HMS Codrington, the destroyer which brought General Montgomery back from Dunkirk, was hit by an aerial torpedo.

It broke her back and she sank next to the supply ship, HMS Sandhurst, which was also hit.

Two days later the harbour was attacked by 30 Stukas and 50 fighters.

HMS Sandhurst, which was full of torpedoes and munitions, was set ablaze.

Pipes leading from huge fuel tanks in the cliffs were ruptured, setting alight oil on the water surrounding the two ships.

Dover Fire Brigade, then controlled by Dover Police, rushed to tackle the blaze. The deck plates were white hot but the torpedo warheads needed to be removed, so the firemen had to cut into the ship using oxy-acetylene.

A second attack began and they had to abandon the ship but volunteered to return. After a 12-hour struggle, the blaze was finally beaten.

HMS Sandhurst was badly damaged and required hull plates to be patched, but was later able to be towed to the Thames for repairs.

Three Dover firemen were awarded some of the very first George Medals, and six received King's Commendations for Brave Conduct.

Bob's evocative design shows the profile of the ship lit up under attack, its Royal Navy crest and the badges of Kent fire and rescue and police services.

The plaque has been set into the wall of Dover Fire Station and a second plaque installed in the passenger terminal near where the incident took place.

Mr Farley recently produced a large collection of diagrams and illustrations for British Oaks, a detailed guide written by Michael Tyler.

He's a keen walker and his wife, Jan, is also a designer and artist.

Both of them attended the plaque unveiling in Dover.

Village schools could be linked in federation

THE partnership between two village schools could develop into a federation.

All Saints Primary School and Beer Primary School started a management partnership on January 1st this year. Almost six months down the line, it has been suggested to form a federation.

A letter to parents, signed by the chairman of governors and the joint headteacher of the schools, said: "Budget constraints across the country are forcing schools to approach decisions differently and in a proactive way.

"Under these financial pressures, the governors have met and agreed that it would benefit both schools for this partnership to be extended into a formal federation from September 30th.

"We are convinced that formalising this partnership will provide stability and opportunities for the continued development for both school communities."

A federation is described as "a family of schools" with each school retaining its own unique character and performance tables, and having separate Ofsted inspections.

Among the benefits listed are the sharing of expertise and the sharing of resources like staff and equipment.

The letter also explained: "The federation will have one governing body composed of representatives from each school community.

"The membership of this single governing body would include representation for parents and staff of both schools, a local authority governor, foundation governors and co-opted governors."

Parents and carers of children attending the schools have been invited to consultation events at both schools on Thursday, June 27th.

A decision is expected to be made in the week commencing on Monday, July 22nd.

■ **THE Fairwater Head Hotel in Hawkchurch, near Axminster, welcomed Neil Parish MP to the latest meeting of its lunch club. Mr Parish was asked to update almost 40 members on the economy and what he expected to see happening over the next couple of years, followed by a question and answer session. Hotel proprietor Adam Southwell said it was "a great honour" to welcome the MP. Mr Parish is pictured right with Mr Southwell and wife Carrie.**

Cheque for Force

■ THE President of the Inner Wheel Club of Axminster, Kathy Brennan, presents a cheque for £500 to Glennis Ashbolt representing the cancer support group of the The Friends of Axminster Force.

■ STRATEGIC: Rotarians plan the parking operation.

Planning to park 5,000 festival cars

MONTHS of planning will be tested over the weekend when Rotary Club of Axminster members tackles 5,000 or so cars at Axe Vale Festival.

For many years the club has been an integral part of the show planning team and tasked with making sure the car park is run smoothly.

The challenge is to work out how to park more than 5,000 cars and exhibitors' vehicles in land of over 15 acres in size.

They say that squeezing cars into spaces tight enough to allow for all visitors to park in the land available, requires confident and direct leadership, together with good humour and a sense of fun.

Club spokesperson Bill Coltham said: "Strong legs to allow for hours on one's feet, protected from all weather with the right gear, and ability to joke and respond humourously to some of the antics of drivers is an essential part of the make up of a Parking Rotarian. An ability to jump out of the way has its uses too!

"This doesn't just happen. Months of planning, led by Chris Painton, formerly proprietor of the Archway Bookshop and now at Serendip in Lyme Regis, with all club members involved has meant that this is the main community support operation that the club takes on each year.

A planning meeting took place after the club meeting on Friday to hone the final arrangements, to establish where disabled groups, exhibitors and visitors should be best parked for easy access to the show.

A discussion on emergency planning, timings and road queues also took place.

Mr Painton said: "Whatever happens on the day, Rotary will be ready."

Axminster Seaton Colyton Honiton Sidmouth Ottery St Mary

The events on Pixie Day are based on a legend, which says that Pixies used to rule Ottery. Then 500 years or so ago, they heard that bells were to be hung in the church. They had already tried to prevent the church being built without success, but bells were the last straw, as Pixies cannot abide the sound of bells. So they did everything in their power to prevent them being cast, without success again. So when the monks who lived in Ottery went to fetch the bells from Exeter, they cast a spell on them as they came close to Ottery, which caused them to carry on towards Sidmouth and the sea. But just as they were about to go over the cliff, one of them stepped on a thistle, which made him shout out 'God bless my soul and Saint Mary'. This happened to be the magic phrase which broke the spell and the bells were brought back to Ottery and hung in the tower. Having failed completely in their aims, the Pixies then went off to live in a cave by the river, where they have lived ever since. But once a year they come out on the Saturday nearest to Midsummer's Day and capture the bellringers and imprison them in a cave in the Square. Luckily, they don't stay their long, as someone remembers the magic phrase which releases them.

This action will take place at about 6.30 pm on 22nd June, with the parts of the Pixies being played by Brownies, Cubs, Rainbows and Beavers. A fete is held on the Land of Canaan before this, starting at 2.30, with games, stalls, a Pet Show and entertainment, and continues after the revenge until 10.15 when there is a firework display. The fete includes a beer tent and refreshments. The surplus is divided equally between the Guide and Scout Movements in the town, which cater for some 150 young people.

East Devon Women's Institutes ROUND UP

COLYFORD

COLYFORD WI President Margaret Nicholson welcomed members to the June meeting, as well as speaker Dr Kent from the Seaton Medical Group.

"Jerusalem" was sung and, with the aid of some amusing slides from his world-wide travels, Dr Kent gave a very informative talk on how getting involved in your local community by volunteering, you not only improve conditions for other people but improve conditions for yourself and may even improve your health.

He also gave members information on all the organisations in the Local Health and Wellbeing Network.

He finished with the mantra "Keep Calm And Carry On Volunteering".

Details were given for the trip to Tyntesfield in September and also the usual summer coffee mornings and cream tea.

Barbara Eavis won the Flower of the Month competition, and the monthly competition of "An Old Remedy for Rheumatism" was won by Jean Cotching.

The next meeting will be the group's 38th birthday meeting and tea with entertainment to be held as usual at Colyford Memorial Hall, on Wednesday, July 3rd at 2.30pm. Visitors are welcome.

MUSBURY & WHITFORD

MUSBURY and Whitford WI's garden meeting was held on June 11th at the home of Margaret Clarke.

Members complimented the beautiful garden and Margaret was thanked with a good selection of plants.

Despite poor weather members enjoyed a cream tea and the main raffle prize, a bottle of pink Champagne, was won by Margaret Martin.

There was a small amount of business and birthday posies were given out. Maureen Phillips gave a brief report on the annual general meeting in Cardiff and told why she had voted against the Resolution, on members' behalf.

Jean Fullerton reported she had been awarded a bursary to attend Denman for a silk jewellery course.

Jan Allen had also been awarded a prize towards a music course.

Next month, on Tuesday, July 11th at 7.30pm in Whitford Village Hall, there will be a talk by Valerie Jones, on ACWW. As usual, all are most welcome.

THORNCOMBE

ON June 11th Thorncombe WI members enjoyed a talk by Petrina Campbell-Hughes on "Photography – Finding the Light".

Petrina spoke of her passion for photography, which started when she was a small child and was given her first Box Brownie camera.

Her talk was illustrated by photographs of the most interesting and diverse subjects, which demonstrated her skill in using light, raindrops, frost and other natural elements to produce beautiful results, both in black and white and in colour.

Petrina also explained how digital enhancement can produce the most unusual and original work.

Members were unanimous in thanking Petrina for a stimulating and enjoyable evening.

The next meeting will be held on July 9th at 7.30pm in Thorncombe Village Hall, when David Smith will be speaking about "My Life in Aviation".

Bring along your aviation memorabilia for the competition.

New members and visitors will be most welcome. Contact Julia Snellock on 01460 30135 for details.

U3A members and guests learn about European Union

THE speaker at this month's meeting of Seaton U3A was Elisabeth Sweeney, Regional Liason and Networks Officer for the European Parliament Information Office in the UK, which is located in Smith Square, the old Conservative Party headquarters.

Members and their guests from Lyme Regis and Sidmouth U3A branches enjoyed a clear, comprehensive review of the EU from its beginnings, as Robert Schuman's Coal and Steel Community in 1951, to the entry of Croatia next month.

It became The European Economic Community Including the European Atomic Energy Commission in 1958 developing from The Benelux countries and Germany. The push for this union was to try to ensure peace after two disastrous European wars. It aimed to sell a wide range of goods, not just coal and steel, and to also ensure the freedom of travel between countries.

Since the Treaty of Paris in 1951 the EU has regularly updated and added treaties to ensure effective policy and decision making.

The UK was turned down twice for membership but was finally accepted in 1973. In 1987, Margaret Thatcher was involved in the passing of The Single European Act which was updated in The Maastricht Treaty in 1993, further reducing barriers to trade.

The speaker then went on to tell members some of the ways in which the EU laws affect us. These include consumer protection, cheaper air fares, lower mobile phone roaming rates, employment laws, recyling, right to compensation for travel delays, right to work and retire in any EU country with the same rights (including medical services) as the local citizens, the right to vote in EU elections.

At this point, Elisabeth told members of the various institutions which make decisions for the EU, including the European Parliament, the European Council, the Council and the European Commission.

Members learnt that the criteria for joining the EU includes having the rule of law and democracy in place, having a market economy able to face competition and having the rights of minorities rights in place. All the member states must agree to the admission of any new member state.

Members then took part in a short question and answer session before Elisabeth referred them to a series of free handouts and booklets covering the topics in detail.

Pulman's View from the churches

With NIGEL SPELLER

WE OPEN this week to record with regret the resignation of Linda Chester, Methodist Minister in East Devon; to give thanks for her past ministry here and to offer prayers and good wishes for the future.

Axminster Job Club, run entirely by volunteers, has been working flat out for the past months, and was able to assist around 80 people a week when Carpets first went into receivership.

Numbers finding their way to the hall in Lyme Road on a Thursday now near 45 a week!

In addition to advice, training courses and volunteering opportunities can all be found at the club, open every Thursday from 9am to 12:30pm in the hall behind the Methodist Church.

Many have taken up courses on offer, which cover CV writing, Health and Safety certification, 'confidence building' and IT - all helpful in their job search.

Extra help has been given by many new volunteer helpers. We now have visits from a workplace chaplain, Rev Mike Coley, who can help our visitors face the challenges of unemployment.

As someone who was made redundant in the past, he sees his job as offering a sympathetic ear and to help out in any way he can.

The Church of England has published new proposals to enable women to become bishops. The proposed timetable given in Women in the Episcopate report for the legislative process states this should be wrapped up by November 2015, which for many seems a long time.

The Church Urban Fund reminds us that Poverty Sunday this year is June 23rd when the day is set aside in the Church calendars to pray for people and communities affected by poverty in England. But a Poverty Sunday service could be held at any time.

And so to some coming events to support: Wednesday 19th June at Ottery St Mary Church at 7:30pm offers a concert with Professor Ian Tracey.

The next Axminster Lunchtime concert is on June 20th at the Minster from 12:30-1pm with lunch available.

Later on Thursday, June 20th at 7.30pm Shute Church is the venue for Concerts in the West.

Saturday 22nd June finds Seaton Christian Aid offering cream teas at the Seaton Methodist Church from 3pm.

Combe Raleigh Village Hall is the venue for the summer show at 2.30pm - enquiries to 46000 or 548813.

Branscombe beach once again is the venue for open air Songs of Praise at 6pm on Sunday, June 23rd.

Soon after this follows the Flower Festival at St Winifred's Church, Branscombe, from Friday, June 28th until Monday, July 1st, from 10:30am (12:30pm Sunday) to 5pm with themes of Psalms, Hymns & Sacred Songs.

A final word from Pope Francis who says that wasting food is like stealing from the poor. He does not like to see it. He comments: "We are currently living in a culture of waste. People have got used to wasting food and they don't think twice when discarding leftovers."

It has been reported that nearly one third of the food for consumer consumption is thrown out every year.

60 seconds

LAWYER and founder of Rosenblatt Recitals, Ian Rosenblatt, has had a house in Branscombe for 15 years. Ian will be presenting the first ever Branscombe Festival, set to take over the village from July 26th to 28th, packed full of music and events.

HOW did the idea for Branscombe Music Festival come about?
I've had a house in Branscombe for 15 years. About five years ago I put on a concert in the Village Hall – the soprano Ailish Tynan, with Iain Burnside and the BBC presenter Petroc Trelawney – and it was a great success, with a lot of local support. I thought a festival would be a great way of getting more people into the village to see the wonderful Norman church; the Saxon Forge and Bakery; and, of course, the idyllic beach – and to spend some money in the local pubs and cafes.

WHO will be performing during the three-day event?
All the performers are stars in their own right. The Carducci String Quartet will be joined by the renowned pianist Iain Burnside in the Village Hall on Friday, July 26th; Philip Higham, one of our rising star cellists will give a recital in the church at midday on Saturday 27th; Ailyn Perez (soprano) and the tenor Stephen Costello (both international opera stars who sing all over the world including Covent Garden and the Met in New York) will give a concert in the evening of 27th and Iain Burnside will play the piano to accompany them in the Village Hall. After this there will be a change of mood with Ronnie Scott's Jazz Club regulars The Leo Green Experience, also in the Village Hall, in the late evening of 27th. At noon on Sunday 28th there will be a free concert on the beach with the Trelights Brass Quintet.

WHO is the most exciting artist coming to the village?
All of the artists are exciting. It is going to be a real treat and Petroc Trelawney will be back which should make things quite lively.

TELL us about the free concert on Branscombe beach...
The free beach concert will be a lot of fun. Everyone can just sit around on the grass verge by the beach, eat and drink and enjoy the music by the Trelights Brass Quintet.

WILL the festival raise money for anything in particular?
The number of people coming to the village will give the church and the hall a great opportunity to raise money and get the collection boxes out.

IF THE festival is a success, will it become an annual event?
If we get enough support and enthusiasm I would love it to become an annual event but it's up to the local community to say if they want it.

IF YOU were given £100,000 to spend on the local area, what would you change?
I wouldn't change anything about the area at all. It's beautiful and unspoilt and should stay that way. I am sure, however, that £100k would be well spent on better transport and communications for elderly people who must find it tough to get around such a rural location.

Axminster's station master provides top service for town

■ I THINK there used to be an award for the best service in Axminster.

How's this for a candidate? I collected my train ticket from the automatic machine outside Axminster Station this morning. While I was watering the garden at 8pm, the front door bell rang. It was Bob Driscoll, our brilliant station master.

He had found tickets which I had left behind and came all the way up to Lyme Road at that time of night to tell me. He had left them at the station for me to collect in the morning in cas he could not find me.

He had had to do considerable research to find out whose tickets they were. I was amazed that he had gone to such lengths, but I was even more staggered when he returned a quarter of an hour later, having gone back to the station to collect them, now that he knew I was in.

We may be lucky to have a station, but we are ten times more lucky to have someone as cheerful and helpful as Bob to make Axminster a great place to live.

SANDY SINCLAIR,
Lyme Road, Axminster

Could Seaton have a pier like this?

■ SOME months ago you printed my comments on what Seaton needs and I suggested a pier.

Now having come across the attached picture I thought it would be good to use it, as a basis for a design. What we need next is a budding Brunel to come up with a design, working together with a budding Lord Sugar to handle the business side of things.

A good thing would be for the council to organise a design competition with a suitable reward. We would need to have a good idea of the cost, and the income it would generate. This could be greatly enhanced if Seaton could become known to have the highest number of hours of sunshine in the country.

MR F. E. CARTER,
Fore Street, Seaton

Seaton not only town with live streaming

■ THANK you for the interesting 60 Second Interview with Elga Mackie (June 4th) that mentioned live streaming at the Gateway, Seaton.

I feel obliged to point out, however, that one detail is factually incorrect; namely that "the nearest towns with similar equipment are Exeter and Bridport".

As well as showing the latest films and being 3D enabled, both the Regent Cinema in Lyme Regis and the Radway Cinema in Sidmouth have been showing live operas and ballets for some time now - and this provision will increase further during the year.

I would venture to suggest, moreover, that with cinema seating, large screens and balconies in each venue, there can be few better places in the South West to enjoy these shows.

DAVID JOHNSON,
Manager, Regent Cinema, Lyme Regis

First past the post not use in county elections

■ TO answer Mr J.B. Morris' question (June 11th) whether the first past the post system was used in the May county elections, the answer is no.

Looking at the number of seats won compared to votes received shows that the Conservatives won 38 (69,825 votes), UKIP four (45,550), LibDems nine (31,683), Labour seven (26,044), Green one (12,705) and independents three (11,148). There were 62 seats up for election, UKIP won four but came second in 30.

In Eastern England UKIP took many more seats, are the official opposition in some counties and making a difference such as getting rid of the cabinet system. We have to work with the existing system but these results show that despite scare tactics from other parties, if you vote UKIP you get UKIP.

Next year there are elections for the EU Parliament which are held under a PR system, any bets as to which party might win this contest in the UK?

ALEC YATES,
UKIP Axe Valley

What has happened to original cycle path?

■ IT was reassuring to learn that that plans for the Stop Line Way cycle and walking path are "progressing well and that every effort is being made by all parties to make this possible" (Howard West's letter, *Pulman's View From*, June 5th).

It is also good news that a route through the wetlands and exiting on to the A3052 adjacent to ther tramway crossing as outlined in my earlier letter is at last being pursued.

Planners are at last coming to their senses. However Mr West's letter is in general terms only with no sustantiating facts.

It is a fact that the route exiting Seaton via the Underfleet and the route through Cowhaynes Lane were first signposted some eight years ago. Fact. Since then, nothing. Perhaps Mr West could support his statement.

JOHN POTTER,
Axmouth

Pleased there's still good Samaritans

■ I WOULD like to thank on behalf of my husband and myself, the two good Samaritans who stopped the other day to help us when we ran out of petrol on the Honiton to Dunkeswell road.

Soon after we ran out of petrol a kind gentleman stopped to see if we needed help, he then offered to go and fetch some petrol for us from the garage.

While he was gone another gentleman stopped and offered to help, as he had some petrol in a can.

After putting some petrol in the car the first gentleman returned and put some more fuel in. Both Samaritans refused to take any money for the petrol or their help.

I should mention that I am 88 and my husband is 94, and am happy to say there are still kind-hearted people in the world, and long may it be so.

ELSIE MAY,
Dunkeswell

DEVON DUO BECOME FESTIVAL FAVOURITES

TWO of East Devons widely acclaimed rising music stars have just been confirmed for showpiece slots at some of the UK biggest and most prestigious Festivals.

Cole Stacey (Awliscombe) and Joseph O'-Keefe (Talaton) have announced they are to perform at this years Glastonbury Festival with a lineup that includes The Rolling Stones and Mumford & Sons. In July they will be performing to scores of festival goers at Larmer Tree Festival which boasts an impressive billing including Van Morrison and KT Tunstell. They've also been confirmed for Edinburgh Fringe Festival, Bath Fringe and Devons best loved: Sidmouth Folk Festival. At the latter they will be alongside the award winning 'Lau' for a special concert on Sunday, August 4th before performances at Dukes and The Anchor later in the week.

Cole Stacey says of landing the festival slots: "Naturally we are humbled to be included in these Festivals alongside such brilliant artists and for what promises to be a magical summer for us - whatever the weather!"

Interestingly they also state one of Devons finest Steve Knightley (Show Of Hands) as one of the main reasons for their upsurge in popularity after the enormous help he has given them in the last 6 months.

Since releasing their acclaimed debut album 'On Hire a few months ago Cole & Joseph have spent six weeks touring Europe and have upcoming shows supporting Midge Ure. They plan to release their next musical offering in time for the Summer under the name 'India Electric Company' and have just signed a major distribution deal meaning you'll be seeing a lot more of their music in the shops and online.

So wether its a summer of wellies or Sunhats the one thing that is assured is that the Devon Duo will be at the heart of this years favourite music Festivals.

Axe Valley Community Choir to perform in Honiton

THERE is a great opportunity to hear the Axe Valley Community Choir in Honiton this month.

The choir will be giving a concert from their very extensive repertoire of traditional and modern music at St Paul's Church at 7.30pm on Saturday, June 22nd.

The choir was formed following a chance encounter at a Whitford Village Hall barbecue in July 2009 between new resident Edward Jacobs and some ladies who were looking for an opportunity to sing in a choir that was different.

After chatting together and gathering support, the choir met for the first time two months later with Edward as the director.

Since then the choir has gone from strength to strength. Whitford is still the rehearsal base but the members come from far and wide, including Sidmouth, Seaton Chard and Honiton.

They have a growing reputation and growing following, singing both at local events and as far afield as Plymouth and Cornwall.

Two years ago they launched their first CD, "We Made it Through the Rain", at a special concert in aid of Cancer Research at Seaton Town Hall. The choir is very supportive of local charities and the profits from their Honiton concert will go towards providing the sound system for Honiton's new community arts centre, The Beehive.

Tickets can be purchased from the Tourist Information Centre and from Honiton Toy Shop.

Calendar Girls comes to Axminster

AXMINSTER Drama Club are currently busy rehearsing for their forthcoming production of Calendar Girls. Every rehearsal has people in tears with either laughter or sadness depending on the scene being done on that night. Great fun is being had and there is a superb cast that will ensure this is a production not to be missed. As you will see from the above picture it is not however all hard work, some of the girls of the cast were recently enjoying themselves at The Nail Salon in Axminster, courtesy of owner and fellow cast member Carol Shute.

In addition plans are in hand for a calendar to be sold rather than a programme at the cost of £3.00 featuring the ladies and gents taking part in the show (and those helping backstage as well) with part of the profit from this venture going to cancer charities.

Performances are at 7.30pm on Thursday 18th, Friday 19th and Saturday, July 20th with a matinee at 2.30pm on Saturday 20th. Tickets are available now from Archway Bookshop Axminster (tel 01297 33595) or by calling 01404 831089 after hours for only £10.00 in advance or £12.00 on the door.

CHIMERA | Rebecca Jones, Fenella Humphreys and Vladimir Waltham

Top string trio Chimera to perform at new Concerts In The West venue

TAKE three top notch string musicians - violinist Fenella Humphreys, viola player Rebecca Jones and cellist Vladimir Waltham - put them together - and the result is Chimera a string trio who play unbelievably exquisite music. The talents of these outstanding young musicians will be showcased by Concerts in the West in two superb performances - the first at a new venue, St Michael's Church, Shute, near Axminster on Thursday, June 20th, at 7.30pm, and at Ilminster Arts Centre on Friday, June 21st, at 8pm.

"Wow is an adjective I could easily ascribe to Chimera," said Catherine Hodgson, found and director of Concerts in the West. "Fenella Humphreys has created something very special with the formation of her new trio. They bring a tremendous depth of feeling, as well as superb technical musical interpretation to their playing. Fenella is a sublime violinist and regarded as one of the most distinctive performers of her generation. She is hugely in demand as a chamber musician and soloist."

"The music she and her fellow players have chosen to perform for us has been written specially for string trio, which is a more rigorous medium than that of a quartet. Schubert's String Trio in B flat major has a lightness of being, but without a hint of café music, while the Sibelius G minor Trio makes a strong impact with contrasting emotions and textures from a angst-ridden Lento to a romantic beautifully harmonised folksong melody. Beethoven's Op 9 Trios is rightly regarded as a definitive work for its astonishing weight and richness of sound."

The musical programme will include: Schubert: String Trio in B Flat major D471. Sibelius: String Trio in G minor. Dohnanyi: Serenade for String Trio in C major Op 10. Beethoven: String Trio in G major Op 9 No 1.

The concert takes place on Thursday, June 20th at 7.30pm, at St Michael, Shute, nr Axminster, Devon EX13 7QR www.achurchnearyou.com/shute-st-michael/ Box office: 01460 53500. Tickets: £14.

Bring a friend for free: Concerts in the West ticket holders may bring for FREE one friend who has never attended a Concerts in the West performance before.

For further information about all these concerts, contact Catherine Hodgson, Director, Concerts in the West. Tel: 01460 53500, email: concertsinthewest@gmail.com or visit www.concertsinthewest.org

Win tickets to Yeovilton International Air Day

FEW events can rival the intensity, drama and spectacle on offer at the International Air Day at Royal Naval Air Station Yeovilton in Somerset on Saturday, July 13th. The award winning show is one of the Southwest's largest one day events, attracting over 30,000 visitors, and will return this summer with an action-packed day out for all the family. Alongside the thrilling flying display there's plenty to see and do on the ground – so whether you're a wide-eyed first timer or a seasoned air show veteran, the experience will be amazing.

RNAS Yeovilton will take 'Teamwork' as its theme for this year's International Air Day and visitors will see Teamwork at first hand, both in the air and on the ground. The breathtaking flying display will feature military and civilian display teams from the UK and abroad, as well as the resident squadrons performing spectacular role demonstrations such as the famous Commando Assault Finale. The ground displays will showcase modern Royal Navy assets and equipment with interactive displays showing the qualities, skills and professionalism of Royal Navy personnel working as a team to provide Front Line support to Protect our Nation's Interests.

Confirmed participants include world class military aerobatic teams such as the RAF Red Arrows and the Royal Jordanian Falcons. Undoubtedly, the stars of the show for many will be roaring displays by a Swiss Air Force F/A18 Hornet and a Czech Air Force Gripen making their only UK appearances this year. The noise will continue thanks to the return of the Belgian Air Force F16 and RAF Typhoon to Air Day representing the cutting edge of modern global fighter technology. Amongst the helicopter displays will be the Royal Navy and Army's latest aircraft - the Wildcat, and the return of a real crowd pleaser, the RAF Chinook. On the historic front, the Battle of Britain Memorial Flight's Lancaster, Spitfire and Hurricane will be present along with the Royal Navy Historic Flight's rare collection of naval warbirds. Their Swordfish (LS326) is a veteran of the Battle of the Atlantic, which this year marks the 70th anniversary, and will take part in the flying display in tribute to the courage and bravery of all those who served in the North Atlantic. In what could potentially be her very last display season the iconic Vulcan bomber XH558 will also be firing up her four mighty engines for another majestic performance over the Somerset skies. There will be plenty more aircraft on display in the air and at close quarters on the ground.

Throughout the day there will be plenty of family attractions including performances from the Royal Marines Band and the Military Wives Choir Yeovilton, a fairground, vehicle exhibition, service demonstrations, field gun competition, picnic areas, helicopter pleasure flights, simulator rides, trade stands and much, much more.

frank property

As soon as we walked into the office of Frank Property we knew they were the agent to sell our home. The staff were very friendly and extremely helpful. When they found us a buyer the staff went above and beyond what we expected from an Estate agent. They went out of their way to do all the things they could to make things run smoothly, liaising with both solicitors to keep our buyer and ourselves updated and informed of the progress almost on a daily basis. Our sale went through quite effortlessly thanks to the professionalism of the staff at Frank property. They provided us with an excellent service and we would definitely recommend them.

ChampionHolmes is a **licensed member of the Association of Residential Letting Agents (ARLA),** which is the only professional body solely concerned with the self-regulation of letting agents. Over the past twenty-five years ARLA has been actively promoting the highest standards across every aspect of residential lettings and management in the private sector.

Through ARLA membership, ChampionHolmes is required to work within a robust Code of Practice which covers the key stages in letting and managing a property. Landlords are guaranteed: consultation with a qualified and trained agent who can give you professional up to date advice and guidance on issues such as furniture and furnishing regulations, gas safety regulations, electrical safety regulations etc; that your money is protected by a Client Money Protection Scheme; that ChampionHolmes has Professional Indemnity Insurance; there is a route to redress should something go wrong. In Addition ChampionHolmes is a member of The Property Ombudsman and offers deposit protection by the DPS.

We have an excellent knowledge of the locality and the property available to rent within it, we are proud of the service we offer: ***"If we have not let your property before, we have probably let one of your neighbours... or they're renting from us! Futhermore, we know we have satisfied Landlords as they keep telling us so! Equally we have happy tenants as very few are looking to move at the moment – WE THEREFORE URGENTLY REQUIRE MORE PROPERTIES TO SATISFY TENANT DEMANDS".*** We are able to offer other **'one off' services** in addition to the normal **Tenant Find** and **Full Management,** i.e. Tenancy Agreement preparation and Tenant Check-in/out. We prepare our Schedule of Condition and Inventory 'in-house' – Karen is a member of **The Professional Inventory Provider (APIP).** We are very proud of our schedules, considering them second to none!

SPOTLIGHT ON MY SERVICE

Eden Garden Developments

EDEN Garden Developments make finding a contractor simple by providing for all clients' Garden Design, Construction & Care requirements, large and small locally. The Design & Build unit of A1 Environmental Services, offers a friendly, professional, integrated service .

The Seaton, Devon base principally covers a 30 mile radius including Lyme Bay, the Otter Valley, the Blackdown Hills and the Vale of Taunton. Installing all types of Fencing, Gates and Decking, Walling and Patios, Eden offers a complete landscaping service including Lawns, Horticulture and Aquatics, either as a package or in affordable stages .

An example is illustrated where the client was seeking an oriental flavour to his garden. This was achieved within budget by populating the planting scheme with rocks, miniature temples and pagodas. In fact "cost leadership" is at the forefront of the business whilst keeping quality and the principles of design paramount (also illustrated is an arbour with an Eastern influence).

Business founder, designer and artisan craftsman Norman Brown holds an MSc. in Environmental Planning & Management and has contributed to books, periodicals and the gardening press. Further information can be obtained by calling 01297 23596 (mobile 07977 415446) or visiting the web pages at a1-environmental.com

Lexus launches advanced technology pack option for new is Premier

LEXUS is giving its new IS customers the opportunity to add a suite of advanced safety features and driving aids to their vehicle with an additional option pack.

Available exclusively for the flagship Premier versions of the new IS 250 and full hybrid IS 300h, the pack – a build-to-order option priced £1,540 – provides four additional systems:-

- Pre-Crash Safety system (PCS)
- Adaptive Cruise Control (ACC)
- Lane Departure Assist (LDA)
- Automatic High Beam (AHB)

Pre-Crash Safety system

The PCS system uses a millimetre-wave radar sensor that operates over a 20-degree scanning radius to detect obstacles in the vehicle's path, even when cornering.

Using a number of sensors, a pre-collision computer monitors vehicle speed, steering angle and yaw rate inputs to help determine in advance whether an impending collision is unavoidable. If there is a high risk of a collision, PCS will alert the driver with a buzzer and warning on the multimedia display, activate the Pre-Crash Seatbelt pretensioners, and, when the driver begins to brake, provide Pre-Crash Brake Assist to supplement the braking effort. If the driver does not brake and a collision becomes inevitable, the Pre-Crash Brake will automatically apply the brakes to reduce impact speed.

Adaptive Cruise Control

The Adaptive Cruise Control works in two modes: constant speed control and vehicle-to-vehicle distance control. Working at speeds above 31mph (50km/h), the constant speed control operates just like a conventional cruise control system.

The vehicle-to-vehicle distance control can differentiate between vehicles directly ahead, and those in an adjacent lane. It uses the PCS millimetre-wave radar sensor, allied to constant speed, decelerator, follow-up and accelerator controls, to automatically slow the car, match the speed of the vehicle in front and, once the road ahead is clear, accelerate back to the previously selected cruising speed.

Lane Departure Alert

The Lane Departure Alert system monitors road markings using a camera mounted on the rear-view mirror. If it detects the vehicle is deviating from its lane without the turn signals being used, it alerts the driver by sounding a buzzer and showing a warning on the instrument display.

Automatic High Beam

The Automatic High Beam function for the headlamps maximises night-time visibility by automatically switching to low beam when the system's camera detects the lights of an oncoming vehicle, or one travelling ahead. This means the high beam can be used for the safe maximum amount of time.

Ford commercial vehicles are the Speedy choice

Ford is supplying 400 new commercial vehicles to Speedy, the UK's leading provider of equipment rental and support services. This latest Ford order is worth in excess of £8.6 million and marks an 18-year association between the companies.

The Speedy order – comprising 380 Ford Transit vans, including new Transit Custom models, and 20 Ford Ranger pick-ups – will be operated through 283 fixed Speedy sites throughout the UK.

Karen Nixon, Ford UK regional fleet manager, said: "This 400-vehicle order from Speedy is testament to the reliability of Ford's award-winning commercial vehicle range and evidence of the outstanding commitment Ford makes to its fleet customers. Ford's on-going investment in low-CO2 technology is helping companies like Speedy in their quest for lower whole life vehicle costs."

As with all of Speedy's fleet, the new Ford vehicles will be fitted with telematic equipment to provide comprehensive reporting of driver behaviour, in an effort to encourage improved fuel economy and reduced CO2 emissions.

Speedy logistics director Richard Martin said: "Our fleet is an extension of our company brand so it is important that we choose the right vehicles to meet our customers' needs and requirements. Speedy operates through a large network of depots covering the whole of the UK and these Ford vehicles will be vital to transport assets and equipment."

Water Babies pull the plug

RESULTS: Signs South-West 65 JD Tyres 42, Uplowman 63 Sidmouth Toucans 50, Tip Top Trees 52 Pixies 38, Hi Q 59 Otter Valley Dairy 40, OPG 68 Howden Hawks 43.

THE big news from this week is that unfortunately Water Babes have had to withdraw from the summer league.

This has resulted in their fixtures being removed from the table and this has affected the teams that have played them or had points allocated because the Babes did not play.

Therefore the following teams have had their results removed from the table and their goal differences and points totals amended accordingly – Pixies, Toucans, JD Tyres, Otter Valley and Hi Q. As a result of their withdrawal the game between them and Flamingos did not take place, meaning there were five games played.

After tonight's game Flamingos remain on top by a single point, but with four teams chasing them on 15 points.

OPG jumped from 5th to second thanks to their win against Hawks.

By half way OPG had reduced their deficit to 33-35 and with Tracey Moran pulling the strings at centre they pulled away in the third period despite good work from Zoe Dunn for Hawks.

The final win of 68-43 moved OPG into 2nd on goal difference. They lead Signs South West, also on 15 points by just four goals. SSW were in action against JD Tyres.

Once again the dynamic Rowan Williams at GA for the Signs was their star, whilst Amy Philips again caught the eye for JD.

By quarter time SSW were just a goal down and once they were in front they didn't look back to record a fine 65-42 victory.

Despite beating Otter Valley Dairy by 59-40 Hi Q dropped back to 4th on goal difference – just one goal worse than SSW!

With Emma Truscott in great form Hi Q had taken the lead by half way and although Rachel Tucker worked the Dairy girls hard they could not get back at Hi Q.

Uplowman picked up a win against former table toppers Sidmouth Toucans who lost their second game and dropped back to 6th place.

Uplowman had to work hard for their victory and it wasn't until the third quarter that they took the lead – by 49-47. This was largely due to great GA play for Toucans from Helen Terry.

In the final quarter Zoe Berrisford turned it on for Uplowman as they pulled away to win by 63-50.

The final game of the night saw Tip Top Trees gain their second win to move up to 9th place.

They were up against Pixies, who have been struggling to find consistent form this season.

Once 3Ts got in front they outscored Pixies to win by 52-38. Abi Webber had a fine game for the Trees whilst Heather Beviss stole the show for Pixies.

Puffin is Chine Champ

THE Luggers raced on Monday, June 3rd for the Chine Cup *writes John Mortimore*.

A South-Easterly wind made for choppy conditions.

Nine luggers made the start line although **Percy Mitchell**, **Cuckoo** and **Scrumpy** were all disqualified for crossing the start line too quickly.

The remaining six boats sailed an easterly course for the windward buoy with the **Mary** arriving first followed by **Twilight**.

The Mary still held the lead at the completion of the first and second rounds although **Sea Witch** was making steady progress through the fleet.

Moondance crept up to join Twilight in second while **Puffin** found a little wind shift to make up a lot of ground leaving **Katherine** well behind.

Mary wasn't to be caught and crossed the finish line well ahead of the rest.

Result:
1st Mary (Sailed by D.Boalch), 2nd Twilight (P.Bagwell), 3rd Moondance (G.Pook), 4th Puffin (R.Driver), 5th Katherine (M.Diplock). Sea Witch, Percy Mitchell, Cuckoo and Scrumpy were all disqualified.

Winner of the Chine Cup, by handicap, was Puffin (R.Driver).

Jed set for ironman debut - N1 Triathlon club thriving

A YOUNG athlete is preparing for his first Ironman race *writes Anders Larsson*.

Jed Farrell has his sights set on UK Ironman in Bolton on August 4th, and hopes to raise a lot of money for charity in the process.

Jed grew up in Greece until he was nine years old, when the family moved to Chardstock and then Uplyme. He is currently at Kingston University in the last year of a sports science course.

A keen sportsman, he has played cricket in Axminster and also used to turn out for football teams including Lyme Regis Bantams.

Jed was in his university's rowing team until he suffered a back injury, which is when the Ironman idea started to take shape.

He said: "Since an injury to my back through rowing earlier this year, I began cycling and swimming on top of the running I was already doing and completed my first triathlon."

He got chatting to a fellow cclist during a training session in Surrey, and they decided to go for the Ironman.

Jed explained: "Although it was something both us wanted to achieve at some point, the idea of taking on one of the toughest events on the planet seemed slightly daunting.

"However, I couldn't get the thought of taking on the challenge out of my head and plus I hate the idea of putting off trying to achieve a goal.

"There are many people in a far less fortunate position than ourselves so not to push our bodies to the absolute limit seems like a terrible waste of life.

"With that in mind, we are about to start training and will be competing in the 2013 UK Ironman in aid of Scope which is a fantastic charity that works to help disabled people and their families.

"The Ironman consists of swimming 2.4 miles, cycling 112 miles and then running a full 26.2 mile marathon all in under 17 hours. "Please dig deep as the money you give will have a very real and lasting impact on the lives of disabled children, adults and their families."

■ **ALL SET:** One of the N1 Friday seas swim groups lines up for a pre-swim photo.

N1 group numbers continue to grow

THE sport of triathlon is booming and with Chrissie Wellington, the Brownlee brothers, Non Stanford among it's ranks the UK can make a reasonable claim to be the best in the world.

It is most pleasing to report that the sport is enjoying massive growth in East Devon via the N1 Tri club.

The local environment is a triathlete's dream with its breath taking coastline, miles and miles of tracks set in spectacular beauty for running activities and all sorts of opportunities for cyclists to escape the main routes and enjoy the calm of the countryside.

The Club is very proud of the progress it has made in the past year. First of all its Head Swim Coach Peter Wilby, who is a GB athlete, added a World title to his impressive resume in the ITU Long Course race in Belfort France last weekend.

The club has sessions in Honiton, Axminster and Sidmouth, with each session having a different emphasis.

Many members of the club get their wetsuits out on Friday evenings and swim in the sea in Sidmouth under the leadership of Jim Ephraums. There are usually three ability groups with escort canoes and beach barbecues for supporters and families.

The Cycling side of the club is led by former time trial champion Karl Hodson. Under Karl's guidance many club members have transformed their riding.

A brand new and very exciting feature of the club is closed road sessions at The Westpoint arena where racing skills and mini events allow members to experience full speed cycling in a safe environment.

Many club members now race regularly in weekly time trials in the Cullumpton area too.

Running activities are led by Jane Beech and offer all sorts of opportunities from regular 5km races at Killerton House to well planned off road group runs in which lead runners circle back so as to include all abilities.

All club members, whose numbers are approaching 100, are encouraged to race and many have completed their first event this year including local teachers, Keri Henkus and Rae Owen and former prop forward Mike Shillingford who has turned the setback of a major injury into a whole new sporting opportunity.

■ **FOR A GOOD CAUSE:** Jed Farrell is set to make his Ironman debut in Bolton

The club has a number of athletes preparing for Ironman races this summer (2.4 miles swim, 112 miles of cycling and 26.2 miles of running) and only last week one of its members, Club Secretary Liz Elliott, qualified to represent GB in the World Championships this summer.

A feature of triathlon is that age group categories are strictly observed and all participants are able to 'try out' for international honours at various qualifying races.

A number of club athletes will be racing at Bristol in the near future trying to achieve selection.

The Club's motto is "Be the best you can be" and this motto sets the tone for an approach that encourages all members to achieve their peak fitness and to take part in this wonderful sport.

THE Club fished it's second summer series match last Thursday night *writes Chris Sweetland*.

With plenty of colour in the water hopes of catching anything were low, but it turned out to be a good nights fishing.

The Smooth hounds were on the feed, snapping up Hermit and Peeler crab baits, the best Hound of the night went to Paul Driver which tipped the scale at 5lb 3oz.

The best fish prize went to Ross Lambert with a small eyed Ray of 6lb10oz, he also had a Dogfish of 2lb1oz.

Winner on the night went to Andrew Franklin with a score of 223.13pts, in second place was Chris Sweetland with 206.25pts, and 3rd was Ross Lambert 205.31pts.

The table after two matches is; 1st Luke Bartlett 414.82, 2nd Andy Franklin 410.63, 3rd Chris Sweetland 390

Last sunday Dave Graham fished in the civil service match on the Bristol channel and managed to break a club record with a Starry Smooth hound weighing in at 16lb8oz.

Finally, just a reminder about our Fish-a-thon in aid of RD&E Neonatal unit which is taking place this coming Friday to Sunday on Seaton beach.

HONITON *with Andy Wagner*

Monthly Stableford

A NICE, comfortable Stableford between the Medal rounds and you would believe the course was there for the taking. Well it was - but only by the winners in each division.

Division One saw Malcolm Matthews 41pts, Paul Dimond 39pts and Mark Gillard 37pts beat par whilst in Division Two it was Allan Piper 40pts, Julian Hoyles 38pts and Graham Norman who took the honours,

Tuesday Mixed

THE mist hung around the course for most of the morning before clearing just in time for the second year of the Banks Trophy.

This Trophy, staged over a Treble Six format, was presented by Geoff Banks in memory of his wife Sheila as together they ran these popular Mixed Tuesday Competitions for many years.

This year's winners were Catherine Doherty & Jason Gosling with 41pts. In second place with 40pts were Andrea Squire & John Dickinson.

In 3rd were Lady Captain Pam Greenaway & Phil Wall with 39pts, 4th Lesley were Farley & Andy Sharland with 38pts on c/b from 5th placing Jan Dickinson & Laurie Tollemache. Geoff then presented his Trophy to the winning pair and then - being persuaded by the members - he told one of his golfing jokes that was always part of his presentation.

Senior Section

EACH year the seniors play a medal competition for the Seniors Masters Championship.

The competitors have all qualified by winning prizes in the previous year and the winner receives a green club sweater embroidered with his title. It is played along with a normal qualifier.

No one in division one beat the standard scratch of 70, but it was equalled by Peter Clarke. John Dickinson, last year's winner, scored 71, separated only on count back from Andy Sharland, John Fleetwood and David Morgan. Brian Morrison led Division two with a creditable 68 with Bill Giles runner-up on 70.

Jack Phillips and David Price made 71 and the last prize went to Ken Beake on 72.

When it came to the presentation, seniors' captain Bob Underwood claimed that the current financial climate had necessitated cutbacks and produced a large ball of green wool and a pair of knitting needles for the winner to knit his own!

We do not know whether Brian Morrison is up to the task, but we do congratulate him on an excellent win.

AXE CLIFF *with Janet Dack*

Seniors

BLUSTERY conditions greeted the Seniors for the second round of the Masters.

The scores rocketed as a result with a 76 nett from Mike Tomes (17) winning the medal. No less than five players returned nett 77s and on countback, second place on the day went to Alan Vincent (18) and third to Charles Whitbourn (28).

Those who missed out on third spot were John Pugh, Bob Berry and Jack Bannister.

Despite a poorer second round Roger Hill on 145 was still leading the field with John Pugh in second place nine shots behind. Dave Weston recorded the only two.

On Monday Vivary Park were the visitors and the team gained revenge, albeit narrowly by 3½ to 2 ½, for the recent defeat at Taunton.

■ WELL DONE: Catherine Doherty and Jason Gosling with Geoff Banks and the Banks Trophy

The winning pairings for Axe Cliff were John White & Peter Knighting, Chris Jowett & John Mant and Dave Bruce & Mike Jamieson. The half point was won by Neil Moorcraft & Jack Bannister.

Main Club

LAST Sunday Division One players competed for the Hazelwood Club.

The winner was Richard Gibbons with a nett 71 with Dougy Board taking second place with a nett 72. Third place went to Cyril Hellier with a nett 74. The winner of the Dart Division Two players was Steve Anning with an excellent nett 65 with Anthony Hellier in second place beating Mike Rymer on the back nine.

Congratulations go to the Ladies of Axe Cliff who won all of their recent league matches away at Great Torrington.

EMMA Kiernan ran in the second race of the ***Bristol Towpath*** *10k series finishing a very good 79th in 43:26.*

Harry Moore was in action at the ***Exeter Mitchelmores*** *5K road race which was very well supported with 1,200 runners.*

Harry completed his 11th running of this race in 50 mins and was awarded a prize for the oldest competitor.

On Saturday morning Luke Reed travelled to the Cotswolds to take part in the ***South Cerney Standard Distance Triathlon****.*

The wind played a big part in the race as it chopped up the lake to make the 1500m swim tricky. He was pleased with his time of 25:29.

Then it was onto the 42k bike leg; the wind was still blustering around making it tough to stay upright at times, but this was duly completed in 1:14:23.

The 10k run was two laps around the lake with no shelter from the wind, despite this Luke belted around in 40:33.

Luke's overall time was 2:22.55, 15th overall out of 182 finishers.

Honiton boys take silver at national finals

HONITON Gymnastics Club men's pair Jamie Jeffery (16) and Matthew Beviss (10) have returned from the Acrobatic Gymnastics National Development Plan finals in Stoke on Trent with silver medals.

The pair were narrowly pipped to the gold medal position by a partnership from Bromley Valley in Kent. Matthew and Jamie's silver medal follows their gold medal performance at the regional preliminary competition in Taunton earlier this year.

"We are extremely proud of Matthew and Jamie," said Helen Reddy, high performance coach at Honiton Gymnastics Club, "and they're certainly continuing the tradition of successful men's pairs from Honiton Gymnastics Club.

"This is their first national level competition as a partnership, but nevertheless they performed their routines with exceptional style and passion.

"Their scores for artistic performance were almost a full mark higher than those of their competitors, so with some more hard work we expect the boys to increase their difficulty and achieve even higher scores in the future."

Matthew, a pupil at Honiton Primary School, and Jamie, a student at The Woodroffe School in Lyme Regis, scored 50.70 out of a possible 60 marks, which left them just 0.69 behind first place.

"We've seen a huge improvement in the lads in the past few months," added Helen. "Matthew's somersaulting ability has improved considerably and Jamie is getting stronger by the week, which means he's throwing Matthew higher and higher."

Matthew and Jamie train together for 13 hours per week in the Squad Acro 1 Group at Honiton Gym Club. Matthew started off in the club's recreational Gym-Crazy Kids group when he was six years old, and – after coaches spotted his natural potential – he has gradually worked his way up through the ranks.

Jamie, on the other hand, attended fun sessions in Lyme for until he was 15, before joining Honiton Gymnastics Club just nine months ago and beginning a more structured training regime.

"It's very rare to take on a new gymnast at age 15, but we so were surprised at Jamie's level of natural ability when he walked through the door that we immediately started him on a training programme in our squad group.

"It's been hard work for him, but his focus and determination have been commendable."

Honiton Gymnastics Club is always on the lookout for the next gymnasts who are looking to follow in the footsteps of Matthew and Jamie, and it welcomes boys and girls of all ages to come along and try out acrobatic gymnastics for fun.

Those that show more potential can be quickly moved through to the club's competitive groups, while others can progress through the club's structure developing excellent motor skills, learning gymnastic elements, and having fun with new friends.

Sidmouth 2nds extend lead

By Howard Larcombe
howard@pemedia.co.uk

AN unbeaten 98 from Anthony Griffiths couldn't save Sidmouth 1st XI from sliding to a nail biting one run defeat against Plymouth at the Mount Wise Ground.

After Sidmouth captain Will Murray won the toss and opted to field first the hosts closed on 221 for 4 with Aussie Marnus Labuschagne top-scoring with 87 not out.

The Sidmouth reply started badly with openers Liam Lewis and Matt Cooke back in the hutch with only nine runs on the board.

Luke and Josh Bess both also fell for single figure scores but Griffiths helped move the score on to 64 for 4.

He was then supported by Peter Randerson (37), Harrison Jones (15) and Scott Barlow (40no) in successive partnerships of 59, 25 and 72 before falling agonizingly short on 220 for 6. Next up for the Sidmouth 1sts is Saturday's visit by Bovey Tracy.

There was better news from Sidmouth 2nds who beat visiting Plymouth 2nds by 84 runs.

The hosts posted an impressive 244 for 3 with Matt Hewer taking centre stage with an unbeaten 101.

Hewer and Saj Patidar (65) had earlier given the team a firm foundation with an opening stand of 117.

Useful knocks from Dan Powell (23) and Greg Chaplin (40no) kept the momentum going through the innings.

Some wayward bowling saw the visitors reach 25 with few alarms before a run-out sparked an collapse that saw five wickets fall in just four overs.

Destroyer–in-chief was seamer Nick Mansfield who claimed a season's best 5 for 40.

A seventh wicket partnership saved some blushes for Plymouth who closed on 160 for 8.

The Sidmouth second-string, currently 17 points clear at the top of the 2nd XI Premier division table, head off to Bovey Tracy at the weekend.

Half centuries from Matt Groves (76) and Kev Kelly (56) helped Honiton 1st XI record a fine win against visiting Filleigh.

Adam Holmes chipped-in with 3 for 27 as the visitors were dismissed for 192 falling 45 runs short of Honiton's 237 for 7.

Next up for Honiton is Saturday's visit by Halberton & Sampford Peverell.

Honiton 2nd XI spent most of the afternoon chasing the ball to all parts as hosts Clyst St George ratted up 329 for 4 with unbeaten centuries from C.Doe (117) and S.May (100).

The Honiton reply never got going at all and Richard Potter ended up as top-scorer with 21 in a miserable 61 all out.

The team will look to bounce back in Saturday's trip to Exeter 3rds.

Meanwhile Ottery St Mary failed to defend 244 for 7 as they were beaten by five wickets by Dartington & Totnes.

The Otters welcome Plymouth Civil Service at the weekend.
